Profile

Motivated Frontend Web Developer seeks entry-level role. Strong in HTML, CSS, JavaScript, React, Node.js, Bootstrap. Committed to innovation, user-centric design, and staying updated on industry trends.

Skills

- Programming Languages**
HTML, CSS, JavaScript (including Node.js)
- Frameworks/Libraries**
React, Bootstrap, Tailwind CSS
- Responsive Web Design**
- Problem Solving**
- Debugging**

Professional Experience

- Internshala, Intern & Trainee** 04/2024 – present
 - Built front-end projects with HTML, JavaScript, and TailwindCSS; enhanced interfaces with motion design; developed projects like a weatherforecast website, personal portfolio and interactive web applications.
 - Technical Skills and Tools Mastered: Gained in-depth front-end development knowledge, used Visual Studio Code for coding and debugging, and demonstrated proficiency in DOM manipulation and asynchronous JavaScript.
- Corizo, Intern & Trainee** 08/2023 – 10/2023
 - Collaborated with development and design teams to create responsive, user-friendly web interfaces using HTML, CSS, and JavaScript.
 - Improved UI components and enhanced user satisfaction, while actively participating in daily stand-ups and sprint planning meetings.
- Oasis Infobyte, Intern** 04/2023 – 06/2023
 - Created a calculator web app and tribute webpage, enhancing skills in jQuery, CSS, and Bootstrap.
 - Gained valuable experience in web development, focusing on user-friendly designs and functional interfaces.

Projects

- Weatherforecast Website** 
 - Built a responsive weather app using HTML, JavaScript, and Tailwind CSS, integrating real-time data from OpenWeatherMap API.
 - Created a dynamic UI to display current weather details like temperature, humidity, and wind speed for any city.
 - Used local storage to save search history and show suggestions when the search input is focused.
- Portfolio Website** 
 - Created an interactive and responsive portfolio website to showcase my web development skills using HTML, CSS.
 - Highlighted projects and capabilities with modern design elements for an engaging user experience.
- Blog-Website** 
 - Developed an interactive and responsive blog website focused related to fitness and wellness using HTML, CSS, and Motion Design.
 - Ensured a seamless user experience across devices by implementing modern web design principles.

Education

- Bachelor of Technology,** 08/2016 – 07/2020 | Sonipat
Deenbandhu Chhotu Ram University of Science & Technology
 - Electronics & Communication Engineering

Certificates

- Full Stack Web Development Intern, Corizo
- Web Development Bootcamp, Udemy
